Dear Mrs. Gambert:

Enclosed you will find an original letter addressed to your brother, dated January 20, 1967, written on the stationary of the United States Senate and signed "DICK RUSSELL".

Said letter is one of the documents that your brother had asked me to forward to you with my mailing of 25 July 1967, but which, through my own oversight, I failed to include.

Most sincerely yours,

William R. Martin
